Educational Institutions

If you have not yet selected an educational institution, MNGEA has educational partners who will walk you through how to download your Joint Service Transcript, tell you where to email their school, and they will provide you with an evaluation based on your area of interest. Once they respond on what they can do for you, you can evaluate which school is the best fit and decide on your future educational goals. There is no obligation to having your JST evaluated and it is FREE.

I would like to have help getting my JST evaluated for college credit.

Degree levels are you interested in:

- Associate Degree
 Bachelor's Degree
 Master's Degree

Area of interest (may check more than one):
